

The Fundamentals of Longarm Quilting
Gina Perkes-Tidwell

Beginner

Wednesday, 8:30 a.m. - 4:00 p.m.

Room: Motivate A

#48101w - Quilting/Finishing-LONGARM

This class is designed for the beginning longarm quilter. Students will gain confidence in longarm quilting and begin learning how to use rulers for straight lines. Gina will begin by showing you how to set up the machine, how to get threads and tension just right, and what the best tools of the trade are. Then, she will introduce you to a wide variety of exercises which will train you to successfully execute many different designs while relaxing and having fun! Everyone will work on their own machine all day; no sharing required! Don't miss your chance to get an all-day longarm education hands-on with Gina Perkes-Tidwell.

Registration for this class includes show admission for Wednesday.
