Room: River Overlook EF

**#54102t - Fiber Art**

Sheer fabrics are the building blocks for a translucent, shimmering floral piece that will glow and sparkle while adding depth to your fiber art. Create a beautiful iris and see the possibilities when new shapes and colors are created by simply overlapping transparent fabrics. Various manipulation techniques will be incorporated to make an amazing flower. Add more creative tools to your fiber art repertoire and have fun while you're at it!

Registration for this class includes show admission for Thursday.
