Room: River Overlook EF

#56502 - Embroidery and Embellishment

Slow down a little and learn simple hand stitches to make beautiful projects for quilts, home decorating, bags, and even garments. You will be stitching on a hand-painted piece of fabric big enough to make a conversation pillow. The painted design teaches you how to create movement and shadowing with threads, and you will leave class with the confidence to take hand stitching with you wherever you go.
