#57102w - Piecing

Learn the award-winning Picture Piecing technique from the creator herself! Beautiful wildflowers were the inspiration for this design. Cynthia will guide you through the Picture Piecing process, which uses only straight lines and no inseting. Sewing is on the right side, and there is no paper to pick out, because this technique does not use foundation piecing! Come join Cynthia for a fun day of sewing with friends and make something beautiful.

Registration for this class includes show admission for Friday.
