Pyramid Power Quilt: Create a 3D Effect **Phyllis Fay**

Intermediate, Advanced

Thursday, 8:30 a.m. - 4:00 p.m.

Room: Grand Gallery Overlook AB

#57105t - Piecing

Pyramid Power is a modern pieced quilt that offers so many design options that your toughest decision will be selecting your fabrics! Consider using pairs of a light and dark value of the same color to create the pyramids. Those sharp points come naturally when you use the CP II and CP III tools from Deb Tucker's Studio 180 Design. Both right- and left-handed instruction will be provided so everyone will be successful. What are you waiting for? Raid your stash, and we'll see you in class! Registration for this class includes show admission for Thursday.
