Learn to make perfect LeMoyne Star blocks using a strip-pieced method without Y-seams and without any volcanos in the center of the block. Deb Tucker's Rapid Fire LeMoyne Star tool eliminates the need for cutting odd shapes. Plus, you can make 10 different size of blocks with the same tool. Phyllis will show you six more variations of LeMoyne Stars that you can create with the tool. Both right- and left-handed instruction will be provided.
