Quilting on Leather: Create a 3D Panel

Cathy Wiggins

Intermediate

Wednesday, 8:30 a.m. - 4:00 p.m.

Room: Grand Gallery CD (Part 1)

River Overlook EF (Part 2)

#59141w - Stitching with Style

Join Cathy for a full-day, two-part class creating dimensional leather art. Choosing from a selection of patterns (horse, rose, Celtic heart, and daisies, to name a few), students will spend part 1 transferring their image to leather, followed by quilting. Part 2 covers using leather dyes to add shadows and dimension. Students will leave with a completed leather panel that can be used as wall art, a journal cover, a tote bag pocket, etc. The possibilities are endless. You'll love how fun and versatile creating with leather can be.

Registration for this class includes show admission for Wednesday.
