Dear Members, Friends, Vendors & Supporters,

It is with great sadness and regret that the American Quilter's Society is cancelling the AQS 2021 QuiltWeek Shows, due to public health and safety concerns directly related to the COVID-19 Global Pandemic.

The health and safety of our attendees, vendors, participants, and volunteers are of the utmost importance to us and we believe that this is the most prudent course of action at this time.

We remain committed to providing the quilting community with high-quality quilt programming, education, and materials until it is safe to meet in person once again. We ask for your continued patience and support during these difficult circumstances.

Meredith Schroeder, Founder
American Quilter's Society
